What is happening in class on a weekly basis?

This term we are trialling a means of keeping parents up to date in terms of what is happening in class, subject by subject, on a weekly basis. This will add to the information contained in the curriculum overview and topic webs that are already published and will help parents to support their children's learning more specifically at home. We will shortly be adding these week by week planning sheets to the school website. However, please bear in mind that in practice some elements will change as the term progresses in order to reflect the pace of children's learning in class. We hope that you find these documents useful.

Promises for the Governor's Summer BBQ Fundraiser

Organising for the new build/end of year fundraiser on Saturday 18th July is well underway. Featuring fantastic live music and a delicious BBQ, the evening will now also include an Auction of Promises!

Do you or someone you know have a talent, service or gift you could offer for auction? Ideas include gardening or dog walking services, sports coaching, hobby lessons - cooking, horse riding, music etc, man with a van, secretarial help, language lessons, pampering, complimentary tickets...the list is endless. If you can help then please speak to Parent Governors Kirstie Flood or Emma Farncombe or email governors@williampenn.co.uk. Don't forget to save the date - ticket order forms following soon!

Gulielma Penn's Gingerbread

Years 5 and 6 are studying 'Friends and Heroes' which focuses on Quakerism and Democracy with obvious links to our own Quaker heritage. The children have begun to find out about Gulielma Penn, William Penn's wife. For those of you that enjoy baking, you might want to try a Gulielma Penn's recipe for gingerbread.
