

William Penn Newsletter 27th January 2017

Parental Access in School and Appointments

Please be reminded that all access to teachers in Key Stage 2 in the mornings must be via the school office. Parents of pupils in Fox and Cadbury classes should say goodbye to their children at the classroom door. This really helps the children to become more independent and responsible for themselves. Thank you

You are very welcome to make appointments to see the classteacher and this is the most effective option when you have questions about how your child is doing academically or socially. Of course a senior member of staff will happily become involved further down the line should this be useful given the context of the discussion.

NSPCC Keeping Children Safe Online

We would like you to know about Net Aware. This has been created by the NSPCC and is a really fast and useful way for parents to check out specific sites their children may be using. You can then read advice such as age recommendations, privacy and content info for that site.

The purpose of [the guide](#) is to provide parents with the information they need to understand their child's online world and help them [keep their children safe online](#). The NSPCC are encouraging parents to explore what other parents and children are saying about the sites, and form their own views about the appropriateness of popular sites.

This is the URL to use it: <https://www.net-aware.org.uk/>

Week by Week Planners on Website

This term's week by week overview sheets and topic webs are now available on the school website. These sheets will give you a much better idea about what is happening in your child's class on any given week. They are working documents and subject to change but will help you to support your child's learning. The documents can be found under the Teaching and Learning tab.

Pupil Achievements

If you have any pupil achievements that you would like mentioned in the newsletter, please e-mail the office: office@williampenn.w-sussex.sch.uk
