

William Penn Newsletter 7th September 2016

Welcome to the Autumn Term

We would like to welcome all our pupils and their families to the new school year at William Penn. For those that have not seen the list of dates for this year, these are included at the end of the newsletter for your diaries.

Rights Respecting Schools Award

The School Council is delighted to inform you that William Penn have been awarded with the Recognition of Commitment (ROC) for the Rights respecting school award. This is the first stage of the award. We will now work on achieving the Level 1 award by continuing to develop awareness of our rights and responsibilities in and out of school. The new School Council will take this forward as one of their main projects this year.

School Council

Staff News

We would like to congratulate Mrs Peters who is expecting her second child later in the year. We are, of course, already planning for her absence and will let you know details regarding who will teach the class on Monday mornings, Tuesdays and Wednesdays, when they have been confirmed. Mrs Crane will continue to teach for the latter part of the week and the children will continue to have Mrs Kear for music on Monday afternoons. These very experienced members of staff will provide continuity for the children during the maternity leave.

Can You Help Our PTA Continue?

Our PTA has raised thousands of pounds (in excess of £50000) for the school over the past 9 years and with school budgets getting smaller this money has been essential in providing equipment and facilities for all our children above and beyond the basics.

Over the past couple of years the PTA has been well supported at events with parent and friend helpers but the core PTA committee required to maintain the functioning group has reduced in size.

We would lose a great deal financially and socially if the PTA was not able to continue and events could no longer take place. With our current chair and secretary stepping down after several years of service, we do need an input of fresh faces to ensure that the PTA can carry on.

Please put the date of the AGM in your diaries for **September 23rd** with the time and venue still to be confirmed.

If you have any further questions about what is involved please see Mr Kear. This is an opportunity to determine the events that take place during the year and to shape the future of the PTA.

Topic Books

Thank you to all those parents that have returned summer term topic books sent home in July. We will send them back to you at a later date.

Please note that, at least for the time being, these will be the last topic books produced by your child. We are going to incorporate children's work into their class exercise books in order to produce a progressive record of attainment and achievement throughout the year. You will be able to view the work at the termly parent consultations or at other times by arrangement with the class teacher. As ever, we will encourage all our pupils to take pride in the work they produce regardless of where it is presented.

Police – Online Safety

At the end of last term, PC Keeley delivered a short presentation to parents on the subject of e-safety. Whilst we cannot reproduce this talk in the newsletter, a couple of the handouts are included below.

Pupil Achievements
